Suunto M1 Black

- Real-time guidance: heart rate and calories burned
- Automatically switches between three heart rate zones to help reach personal exercise targets
- Suunto M1 comes with comfortable [Suunto Basic Heart Rate Belt](#), compatible with most gym cardio equipment
- Easy to use
- 9 languages: English, French, Spanish, Italian, German, Dutch, Portuguese, Swedish and Finnish

With easy and comfortable monitoring of real-time heart rate and calories burned, Suunto M1 is equipped with the essential tools you need to reach your fitness goals.

It monitors you while you exercise to ensure you stay within the most effective training zone. If you're going to burn those calories, make sure every move is a smart one.
